RUMMAGE ROCKS with Karin Murphy Ellis - 29th August - Skill level: All levels

Given a pile of oddments discarded by others and create your own wearable art. Old ties make hats, leather skirts make bags and old socks make Karin will help you see beyond the ordinary and create your own decadence.

Some sewing machines will be supplied however if you bring your own – so much the better.

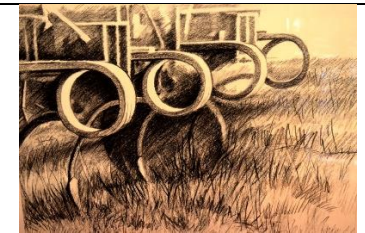

A MATTER OF PERSPECTIVE with Ken Griffiths - 5th September - Skill level: Beginner/Intermediate

Even skilled artists struggle with perspective. In this very engaging workshop, Ken starts with demonstrating the techniques of getting perspective right and then leads you through creating your own acrylic painting using what you have learned. Your final piece will be jumping out at you. *

CHARCOAL DRAWING with Susan Hall - 12th September - Skill Level: All levels

The focus of this workshop is to create drawings as a finished art work. At the end of the session you will be better placed to analyse your subjects, by de-mystifying the artistic process and to simplify complicated subjects. Susan is very skilled in helping you through a step by step easy to follow approach. Please bring along a picture of something you would like to draw. *

CLASSY GLASS JEWELLERY with Deb Watson - 19th September - Skill level: Beginner

Your pieces will be kiln fired over-night and mounted ready for you to take home and enjoy. Please come to ArtSpace to collect.

* If you wish to have a completed work on something other than artist quality paper – please bring along your own canvas.
