ArtSpace Artists at Archies Creek

ArtSpace Wonthaggi in collaboration with the Archies Creek Hall are joining forces to deliver a much needed creative space in Gippsland. The Archies Creek Hall is one of the few remaining functioning community halls, is NOT owned by the Council, and has been around for more than a century. The Hall continues to hold community events as it has done since it first opened its doors in 1904. In those days dances were held only when there was a full moon which would help to light the way for the riders on the horses to find their way home.

And so – why join forces? As you would be aware last year ArtSpace held a series “Sunday Afternoon with the Artists” which were extremely successful. Springing from that many attendees asked if workshops could be held with those artists so that rather than just watching they could get involved. We heard what you had to say.

On Wednesday this week we held our first workshop – Rummage Rocks with Karin Murphy Ellis. Karin is amazing and can always be relied upon to see beyond the ordinary to create fantasy and decadence. A full house (we limit the workshops to ten participants) upcycled with the best of them.

The poster for the Arts Print exhibition features a grid of five colorful abstract artworks. Below the grid, the text reads "arts print | Exhibition dates 4 September – 15 October Official opening Sunday 9 September 2 – 4pm". At the bottom of the poster, the ArtSpace GALLERY Wonthaggi logo is displayed, along with contact information: "Come visit us: IN PERSON Thursday - Monday 10-4 1 Bent Street Wonthaggi Vic 3995 ONLINE www.artspacewonthaggi.com.au BY PHONE 5672 5767 BY EMAIL artspaceinquiries@gmail.com". A small map shows the location of the gallery on Bent Street, near the intersection with Murray St and the Archies Creek Hall.

On Wednesday this week we held our first workshop – Rummage Rocks with Karin Murphy Ellis. Karin is amazing and can always be relied upon to see beyond the ordinary to create fantasy and decadence. A full house (we limit the workshops to ten participants) upcycled with the best of them. Participants were encouraged to rummage through their cupboards to find the treasured garments or material - even old ties and costume jewellery that they can't bear to part with. Those that came empty handed were given a pile of oddments that had been discarded by others. Karin then worked with each of them to create wearable art.

Karin said, "There was an incredible amount of talent packed into the Hall. I was able to show the group a few ideas and help them to think outside the square. This wasn't difficult as each of the group were so receptive – and basically such a great bunch that I had as much fun as they did. The Hall was a perfect venue as we could really spread out."

We are holding three more workshops over the next three weeks. The workshops will be held from 10.30am to 4pm, with materials and lunch provided for the incredibly low introductory price of \$60 per person. We all know this is far less than what you would normally pay. Please ring Liane Arno on 0408 055 767 as soon as you can – as spaces are limited.

If you are an ArtSpace Artist that would like to hold workshops in the future at the Archies Creek Hall – please contact Liane. You can contact her on her email of liane.arno@gmail.com or better still come to one of the workshops!

A MATTER OF PERSPECTIVE with Ken Griffiths - 5th September - Skill level: Beginner/Intermediate

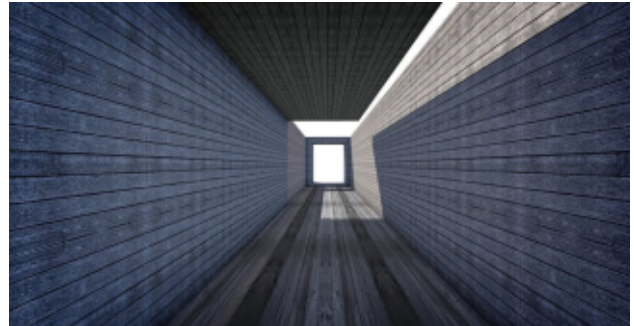

Even skilled artists struggle with perspective. In this very engaging workshop, Ken starts with demonstrating the techniques of getting perspective right and then leads you through creating your own acrylic painting using what you have learned. Your final piece will be jumping out at you.

CLASSY GLASS JEWELLERY with Deb Watson - 19th September - Skill level: Beginner

Create your own pieces of jewellery in a fun and relaxed environment. Create baubles to hang on your Christmas tree, on your ears, or pinned as a brooch. Be as colourful and as daring as you like.

Your pieces will be kiln fired over-night and mounted ready for you to take home and enjoy. Please come to ArtSpace to collect.

CHARCOAL DRAWING with Susan Hall - 12th September - Skill Level: All levels

The focus of this workshop is to create drawings as a finished art work. At the end of the session you will be better placed to analyse your subjects, by demystifying the artistic process and to simplify complicated subjects. Susan is very skilled in helping you through a step by step easy to follow approach.

Please bring along a picture of something you would like to draw
